CONTENTS OF VOLUME VII

Number 1

	Page
Patent Ductus Arteriosus and its Surgical Treatment — By A. Rae Gilchrist	1
Cardiac Manifestations in a Case of Tuberous Sclerosis — By F. P. Duras	37
Cor Triloculare Biauriculare. An Unusual Adult Heart — By J. B. Mehta and R. F. L. Hewlett	41
An Unusual Case of A-V Nodal Rhythm with Varying A-V Block — By Ernst Simonson and Norbert Enzer	45
Pericarditis and Complete Heart Block During Thiouracil Therapy — By C. W. Curtis Bain	49
Advanced Mitral Stenosis at Three Years Old — By R. Sleigh Johnson and David Lewes	52

Number 2

Heart Block following Diphtheria	By D. G. Leys	57
Auricular Fibrillation and Auricular Flutter in Diphtheria	By C. Neubauer	59
Heart Block and the Simulation of Bundle Block in Diphtheria	By Harold Cookson	63
Electrocardiographic changes and the effect of Niacin Therapy in Pellagra.	By M. Rachmilewitz and K. Braun	72
Blood Volume Determinations with Radioactive Phosphorus	By Gustav Nylin	81
Sinus Bradycardia with Cardiac Asystole.	By R. S. Bruce Pearson	85
Ligature of Patent Ductus Arteriosus	By Geoffrey Bourne	91
Ligation of the Patent Ductus Arteriosus	By Terence East	95
Morphine Hypersensitivity in Kyphoscoliosis	By Raymond Daley	101
Transient Heart Block and Coronary Occlusion in Pleural Shock	By D. R. Cameron	104

CONTENTS OF VOLUME VII (*continued*)

Number 3

		Page
Paroxysmal Tachycardia in Infancy and Childhood	By C. Neubauer	107
Traumatic Rupture of the Interventricular Septum	By Terence East	116
Multiple Chest Lead Cardiograms and their Clinical Value	By E. H. Roche	119
Heart Block in a Diabetic with only Mild Arteriosclerosis	By F. Dreyfuss	128
Arterial Thickening in Old Age.	By Trevor H. Howell	135
Malignant Hypertension Cured by Unilateral Nephrectomy	By C. Bruce Perry	139
Cardiac Output in a Case of Pericardial Effusion	By C. M. Fletcher	143
Tuberculous Pericarditis with Effusion	By Philip Ellman	147

Number 4

Mercurial Diuretics: Intolerance as shown by Skin Sensitivity	By Arthur Burrows and Wilfred Stokes	161
The Effects of Emetine on the Heart	By J. D. Cottrell and G. W. Hayward	168
The Carotid Shudder in Aortic Stenosis	By William Evans and David Lewes	171
A Quantitative Electrocardiographic Method	By H. E. S. Pearson and L. M. Gerlis	173
A Case of Myxoma of the Heart	By William Burnett and Jane Davidson	180
Paroxysmal Tachycardia and 2:1 Heart Block	By Maurice Campbell	183
Immersion as a Factor in the Development of Hypertension	By Oliver Garai	200
William Ritchie	By W. E. Hume	207
Proceedings of the Cardiac Society of Great Britain and Ireland		210
Index		217
